

Tuition & Affordability

2023 – 2024

Saint Robert generously underwrites more than one-third of the expenses incurred in the education of each student admitted to our school.

Due to this generosity, we are able to offer a dynamic education of the highest quality to students at the tuition rates found below. In addition, there is a registration fee of \$125 per student with a \$250 maximum. The registration fee is due at the time of enrollment.

Tuition Information for School Year 2023-2024

*Important Note! All Kindergarten through 6th grade parishioner families must submit a “Parish Support Form” to their individual parishes for signature to receive the parishioner rate. Families will be charged the non-parishioner rate until their support form is signed by their parish representative (pastor or business manager). It is up to each family to take care of this step. St. Robert Parish requests that each family contact them directly to complete this form.
