Construction at St. Robert School

Just a quick note that the construction to our school is not done! The week of December 3rd the outside canopy at the top of the steps at our main school entrance (Door F) will be under construction for a few days. You may notice the trucks and the lift back when you drop off and pick up your child.

Virtue of the Week

This week we introduced the virtue of **Gratitude** to our students. Showing gratitude can be hard, we often forget to show what we are thankful for and dwell on the negative. Please talk with your child about how important it is to show gratitude for all the blessings in their life.

*Dear Jesus,
Give me a thankful heart, and help me to realize all I have comes from you. Amen*
