

THE SHEPHERD'S VOICE

March 1, 2019

Last week at St. Robert...

- We had our 14th snow day of the year! This is very unusual We will try and make up some of the preschool days as the year progresses. Your teacher will contact you about extra days you can bring your student! I am still working on a plan for kindergarten!
- We enrolled our 45th student for the 2019-2020 school year! There are still spaces available in all classes, so if you have a friend or family member who is interested, please tell them about us!
- The students enjoyed lots of snow play outside! The weather cooperated so they could sled and build on the large playground.
- We introduced the virtue of prayerfulness. This virtue asks us to be still, listen, and be willing to talk to God as a friend. It looks like using prayer hands, kneeling during Mass, and being silent.

We enjoyed seeing and teaching your children! They are truly a gift from God!

Liz
