

THE SHEPHERD'S VOICE

March 15, 2019

www.strobertschoolada.org

Last week at St. Robert...

Here are some of the highlights from the past two weeks!

- Fr. Len did a special distribution of ashes on Ash Wednesday for the school children! He talked to us about what the ashes mean and then placed them on the foreheads of our students!
- We enrolled 8 new families for next year last week! Our enrollment for 2019-2020 exceeds the number of students we have for this year! Thank you for referring families! Your positive words about our school is helping us grow! Our P3 and P4 are nearly full...only 4 spaces left in each class!
- Our students had fun at our in-house gymnastics field trip! Miss Tammy from GR Gymnastics joined us on Thursday morning, March 14, for a fun filled lesson on twisting and tumbling! We have some budding gymnasts in our school!

The weather has been sunnier and slightly warmer...it feels like spring may finally be close! The first day of spring is Wednesday, March 20!

Come see us at the Forest Hills Community Expo at Ada Christian School tomorrow! We will have a table set up so we can share all of the great things we are doing at St. Robert with the community!

Peace,

Liz

Student Illness

The flu season has finally hit us at St. Robert School. Please remember the following when your child shows signs of illness:

Fever: If a student has a fever of 100° they may not attend school. A child must be fever free for 24 hours without the use of a fever reducer.

Vomiting/diarrhea: Please do not send a child to school if they have had any vomiting or diarrhea within

Refer a Family for \$50

Earn \$50 dollars off your 2019-20 school tuition for all referrals to St. Robert School

who enroll with us for fall 2019! Please contact Liz Peters with any questions.

Congratulations to the following families who have already earned \$50 off tuition for their referral:

Deja Family
Mott Family
Schneider Family

the past 24 hours.

Influenza: If your child presents any symptoms of influenza they must be kept at home for 24 hours of being symptom free. Symptoms are sore throat, cough, generalized body aches, runny nose.

Please remember when your child is not feeling good they may be more susceptible of catching another illness. Please keep them home!

Playground News!

We are so excited to be starting our new playground! The information on the

below was sent home to all families on 3/14/19 in an email. It will also be sent to all parishioners this weekend. We need all the help we can get with donations and help at our community build day on Saturday, May 18th!

[Playground Information here!](#)

Our Mission at St. Robert Catholic School is to provide a premier Catholic education that empowers every student to develop into the individual God created him/her to be. Our culture is designed to nurture each student's relationship with Christ through a STEM based education."
