

THE SHEPHERD'S VOICE

May 16, 2019

During the past two weeks at St. Robert Catholic School...

We have been praying for good weather and sunshine so that we can get our playground built and play on it! I have been talking a lot about the power of prayer and that asking God to help us is a wonderful thing that we can do anytime and anywhere!

I have noticed amazing growth in the students each morning as they line up for pledge and prayer. They are using the virtues of respect and, prayerfulness during this time! The "Our Father" is even more beautiful when recited by young children!

The landscaping outside of our entrance was completed! It is wonderful to pull up to the school and have it look polished and manicured! The rain that seemed to never end was a blessing to us as the landscaping company could not work on their jobs in the clay, so that moved us to the front of the line!

We are all looking forward to Monday and seeing the kids on our new play space! Thank you to everyone who has offered help and donations!

Peace,
Liz
